

14/38-50 MARY STREET, SURRY HILLS

 3  2  1

Cosmopolitan Lifestyle of the inner City

Defining city fringe warehouse conversion living is this tri-level masterpiece streaming with natural light and modern industrial finishes. This 3-bedroom loft style unit like apartment in the heart of Surry Hills is the dramatic 9 metre high ceiling opening the apartment up to its full capacity, bright and light filled space with that terrace feeling from the inside.

Designed for entertaining, styled to impress and offering totally practical inner city living the property also features two double bedrooms plus a 3rd master retreat on the top floor with walk in wardrobe, en-suite and 3 private balconies that capture light and breeze on your rooftop.

The open plan living area has a balcony for that inside outside living space along with air conditioning.

The dishwasher makes for easy living and for those times when your entertaining.

There is a security generous car lock up cage space for your belongings or just your car.

Work, rest, play and enjoy 14/38-50 Mary Street until your heart's content!
