On the market for the first time in 43 years, this city-view family home offers plenty of upside for the astute buyer, providing the possibility to build two freestanding homes on the existing title, or as a subdivision (STCA).

Custom-built for deluxe comfort in 1978, there's also the option to renovate and even add another level to the existing home, which has great bones and is solidly constructed so you can quickly enjoy it as-new with family and friends (STCA). It matches spacious interiors with a superb north-west aspect across the district and city skyline. It commands 580sqm that's merely metres from a thriving caf• and restaurant culture, while offering easy access to schools, buses, city trains/light rail and just 7.5 kilometers to CBD.

The floor plan impresses with an elaborate formal lounge and dining
