

8 BURWOOD ROAD, CONCORD

BOUTIQUE BUSINESS LOCATION

A great opportunity to move your home office into a blue ribbon retail precinct and give your business further exposure and the ability to expand exponentially. Compact but armed with all you need to set up in its two separate offices with a staff lunch room, its own separate toilet/restroom, reception/lounge area and even the potential for a car space at an added cost.

The floor space is approximately 45m2 and already partitioned with 2-3 offices plus reception area. Shop window faces Burwood Road and only a short walk to Burwood Westfields and transport literally surrounded by other established business and offices.

An affordable starting point with retail shop front advantage to advertise your business and increase market share.

NB. Metro in the pipeline across the road so be prepared for greater passing traffic in the future.
