

602/389 BOURKE STREET, SURRY HILLS

Seductive Studio

Studios don't come more exquisite than this. The stage is set by a stunning full length Designers Guild mural of a forest scene.

A recent, premium quality renovation, sympathetic to the era, has turned this elegant apartment into something very enticing.

With windows front and rear this apartment enjoys breezes from its elevated, corner position on level 6. The dusk view from the kitchen over distant spires imbues a Parisian feel.

High ceilings and large sash windows provide light and air. Soft blush hues in the bathroom are reminiscent of 1930's extravagance. Generous built in wardrobes and a handy home office space round out a thoughtful renovation.

Built in 1938, Belgenny epitomises art deco glamour with ornate entry doors leading to the sweeping staircase.. There are generous common laundry facilities and diverse dining and shopping options are at your doorstep.
